Neighborhood Block Party Guidelines

The City of Bothell issues Block Party permits for neighborhood events that temporarily close a street. The permit process is started by obtaining a permit application at www.bothellwa.gov and submitting it to the special events coordinator at the Bothell Police Department.

HOST A NEIGHBORHOOD BLOCK PARTY

Applicants are responsible for contacting affected neighbors to share the details of the street closure, event and clean up. Applicants are also responsible for providing temporary barricades and street closure signs. Closure signs for a Neighborhood Block Party can be posted on recycling bins or other movable items.

To host a Neighborhood Block Party, you may not:

- Close an arterial street
- Close an intersection
- Close a street with a bus stop
- Place fixed items in any street

APPLICATION

The application must describe your activities and include the following information:

- Date of your event, with beginning and ending times. Block parties can only be held between 8:00 a.m. and 10:00 p.m.
- The estimated number of people you expect to attend.
- The name, address, and telephone number of the contact person.
- A map of the area you intend to close.

Your application and fee of \$21.00 must be received by the City of Bothell a minimum of 30 days prior to your planned Neighborhood Block Party. You can expect to receive notification of your permit status within 14 business days of submittal. Once a block party permit is issued, you are welcome to close your street during the timeframe indicated on the permit. If a complaint is received, a police officer will be sent to the location to assess the situation.

NATIONAL NIGHT OUT

Each year, the City of Bothell celebrates National Night Out, a nationwide campaign to raise awareness of crime and drug prevention. Fees are waived for neighborhoods holding block parties in conjunction with NNO in an effort to strengthen neighborhood spirit and support increased awareness. The Bothell Police Department also hosts an event on National Night Out and all Bothell citizens are invited. For more information, go to: www.ci.bothell.wa.us or www.nationalnightout.org.

Here is an example of how to block off your street, once you receive a permit:

- Place barricades with “ROAD CLOSED” signs across the entire roadway at each closure
- Keep tables/fixtures to one side of the street in order to maintain a 20’ fire lane
- Assign a monitor at each closure to remove temporary barricades/signs for neighbor access and emergency vehicles.
