COUNCIL CORNER

By Del Spivey

Prepare now for inclement weather

As summer comes to an end and the kids go back to school, it's also time for all of us to prepare for fall and winter weather. While this summer's Main Street fire is a reminder that emergencies can strike at any time, fall and winter can bring many unexpected surprises (snow and ice, strong winds, and heavy rains).

Soon we'll be winterizing our homes, gardens and vehicles. We all know to cover our outside faucets to prevent freezing, have the snow shovel and deicer for the walk and driveway, clean the gutters, etc. But do you have emergency water? Food that can be eaten cold or a safe way to heat/cook meals if the power is out? We should all have a home emergency kit if the weather turns stormy and we lose power, or a heavy snow falls and we can't get to the store for a few days.

Other tips to consider at home:

- If you have a home generator, know the proper procedures for safe operations.
- While our Public Works staff does a great job in keeping the streets and gutters cleaned, when the leaves fall, it's important to help keep storm drains clear of leaves and debris to prevent flooding issues.

It's not just our home but our vehicles that need to be properly winterized and stocked with an emergency kit. Do you have water, food, blankets, foul weather gear, tire chains, etc.? What about the kids in school? Do they have the items that they will need if the weather gets bad or other disasters occur?

The above are just a few things to consider in preparing for the upcoming fall and winter. Visit the city's website at www.bothellwa.gov/preparedness and read the mailer you'll be receiving from our Emergency Preparedness division this month. If you have questions about emergency preparedness, call 425.806.6270.

Help prevent localized flooding

Many residents mistakenly blow or sweep their fallen leaves into the street, not realizing they become a safety and stormwater hazard to their property and neighborhood. The storm drains in your street capture, move, and release rain water into the nearest stream to keep excess water away from your property. If leaves

clog these drains, it can cause localized flooding.

There are more than 302 lane miles of public roads we maintain with over 8,400 storm drains in the City, so it's infeasible for crews to clear all of the drains before and during storms. Clogged storm drains can leave your neighborhood at risk.

How can you help?

Rake leaves into your yard waste bin

Use leaves as mulch on garden beds and landscaped areas

Join the Adopt-A-Drain program and pledge to remove leaves from at least four storm drains in your area. Extra yard waste bags are available through the program by contacting Janet Geer janet.geer@bothellwa.gov 425.806.6796.

Tell your friends and neighbors how to help themselves and their community

For more tips on mulch and natural yard care practices, visit www.naturalyardcare.info

SAFE STREETS AND SIDEWALKS LEVY

PROPOSITION 1 *You talked, we listened*

Replaces \$1.2M in lost funding

Bothell is among many Washington cities that have lost previously dedicated road funding. Voter-approved initiatives have cut revenue streams requiring public approval to replace funding.

This measure would restore funding for currently suspended programs that patch and repair crumbling roads and sidewalks, address a growing backlog of maintenance, and protect other services we need.

Without new investment, our roads and sidewalks will continue to fall into disrepair. Waiting to fund repairs and improvements to the City's streets and sidewalks will cost more in the long term. Smaller fixes now save taxpayer dollars and help ensure our community's safety and mobility for the future.

You told us that safety and mobility improvements should be a top priority. This nine-year measure will address those concerns by focusing on safe routes to schools as well as street improvements which will improve access for emergency vehicles, increase clarity of lane markings, and improve pavement quality.

Safe Streets and Sidewalks will restore some of the lost funding and target priority projects throughout Bothell:

- Improving the condition of major streets
- Constructing sidewalks and crosswalks
- Restoring suspended programs such as asphalt patching, and sidewalk repair and replacement
- Fully funding Street Operations
- Improving pavement marking, including striping

Safe Streets and Sidewalks Expenditures

*2017 fully funded program at \$12.5 M/year: **Pavement preservation:** \$5.5 M/year for a program that includes local streets and arterials (compared to \$3 M/year program with a focus on arterials). **Sidewalk Construction:** \$3.5 M/year to construct priority sidewalks in 30 years (compared to \$0.9 M/year).

The investment

Funding this measure would require a property tax of 50¢ for every \$1,000 of assessed value on your home. The estimated cost for the median home in Bothell (an assessed value of \$376,000) would be less than \$16/month, or \$188 annually.

For more information, please visit:

www.bothellwa.gov/SafeStreetsSidewalksMeasure

Arterial pavement condition and school locations

The levy addresses arterial pavement preservation, improving the condition of major streets, restoring asphalt patching and more.

BOTHELL'S SIDEWALK REPAIR AND REPLACEMENT PROGRAM

What would the levy do?

The levy would fund sidewalk repair and replacement. It would also fund construction of new sidewalks and crosswalks, prioritizing safe routes to schools.

Growing needs for sidewalks

Bothell has 156 miles of sidewalks and pedestrian trails in the public right of way with no dedicated funding or programs to maintain the existing infrastructure. Requests for maintenance on existing sidewalks are addressed on a case-by-case basis with a primary focus on limiting liability to the City. In most cases, damaged sidewalks with raised joints are ground down or an asphalt ramp is installed to eliminate trip hazards.

History

While residents were still facing the impacts of the Great Recession, instead of raising taxes, the City cut the annual budget for its Sidewalk Repair and Replacement Program in 2010.

Proposed program

The program would include an annual audit of Bothell's sidewalk network. Staff would develop and prioritize a list of projects within specific neighborhoods based on the extent of damage and/or proximity to other similar projects. Staff would use this list to complete repairs of damaged sections of sidewalks according to City Standards. Maintenance would include sidewalk grinding and asphalt ramping; major repairs would include tree root removal coupled with full replacement of damaged sidewalk panels.

Costs

The proposed program would require one-time capital costs (\$76,500) for the purchase of a truck and a tow-behind concrete mixing cart. The ongoing costs for staff, materials and supplies are an estimated \$80,000 per year. This includes hiring two Seasonal Maintenance Workers to help full time staff.

What results can you expect?

The program could annually replace an estimated 2,800 linear feet or 280 (5 x 10 foot) panels of damaged sidewalk.

The program could annually repair an estimated 5,000 linear feet of sidewalk by grinding raised seams and installing asphalt ramps.

DID YOU KNOW?

There are 33 miles of missing sidewalks on major streets in Bothell.

The City received 94 requests for new sidewalks and crosswalks in the last 18 months. 51 of the 94 requests were for sidewalks on NE 188th Street.

Building new sidewalks often requires buying right of way, which can be costly.

Construction of one lineal foot of sidewalk can cost from \$250 to \$1,000. A basic, at-grade sidewalk costs \$250/foot.

Locations that require buying right-of-way, relocating utility poles, building retaining walls, installing railings, constructing curb and gutter, and providing a drainage system can cost \$1,000/foot.

Just the Facts

www.bothellwa.gov/SafeStreetsSidewalkMeasure

Where the money would go

Levy cost for median
Bothell home:
\$15.67/Month

What is the cost of this measure for an average household?

The rate would be 50¢ per \$1,000 of assessed valuation. The annual cost for Bothell's median home valued at \$376,000 is estimated to be \$188.

VOTE

When would this go on the ballot?

November 8, 2016. Any future measure would require a public vote.

What is Bothell's current property tax rate?

In 2016, the City's regular levy is \$1.33 per \$1,000 of assessed valuation. This pays for municipal services such as public safety, parks and recreation, community development, administration, etc. that are in the City's General Fund.

In addition, residents pay \$0.10 per \$1,000 of assessed valuation for the public safety building. This will be paid off in December 2017.

How do City of Bothell tax rates compare to other cities?

CITY NEWS - MEET YOUR CITY COUNCIL

Andy Rheume Position 2 ~ Mayor

1/1/2012 - present (Term Expires 12/19)

Andy Rheume is a son of Bothell and third generation north lake Washington native. He has served the Bothell community as a planning commissioner for two years, a Councilmember for four years, and is now serving a two-year term as Mayor. Andy has three boys, two of which are students at Maywood Hills Elementary. Andy is a regional expert on stormwater management and urban stream recovery and has worked for cities for the last 16 years. Andy supports the downtown revitalization, creating a natural legacy for Bothell, and making sure Bothell provides high quality services to our residents, businesses, and visitors.

Davina Duerr Position 6 ~ Deputy Mayor

1/1/2016 - present (Term Expires 12/19)

Davina Duerr is a registered architect and graduate of Syracuse University's School of Architecture. She's been married for almost 18 years to her college sweetheart and has two kids, 11 and 14. Before joining Council, she was on the Bothell Landmark Preservation Board for 10 years, Chair for eight and Vice-President of the Northshore Schools Foundation and member for 5 years. She and two other local moms started the M.I.L.K. Money campaign of the Northshore Schools Foundation in 2010 to raise money for children experiencing homelessness in the Northshore School District.

Joshua Freed Position 1

1/1/2006 - present (Term expires 12/17)

Joshua Freed and his wife Lindie have been married for 20 years. They have five children from 17 years old to 10 year-old twins. Joshua has lived in Bothell for 42 years besides having lived in Egypt for four years and Pakistan for three years. He enjoys running a real estate investment company. He and his wife are very involved in their church. They have served the deaf community in the Philippines for the past 18 years and improved the health of the Maasi people in Kenya through the construction of a health clinic. Hobbies include fly-fishing, playing drums, flying helicopters, scuba diving and playing sports with his kids.

Del Spivey Position 3

1/1/2006 - present (Term Expires 12/17)

Del Spivey and his family moved to Bothell in 1966. He graduated from Inglemoor High School in 1981. At the start of his senior year, he joined the Bothell Fire Department as a volunteer firefighter. He married his high school sweetheart, Valery and he hired on with another fire department. The couple and their children moved to the Lake Stevens area but moved back to Bothell in 1992. He is proud of the economic redevelopment that has occurred in the downtown area and looks forward to seeing economic redevelopment and parks development in the Snohomish County portion of the city in the near future.

James McNeal Position 4

1/1/2016 - present (Term Expires 12/19)

James McNeal and his wife Colleen grew up in and around Bothell and enjoy raising their twin boys here. They also have a grown daughter. James has worked in the construction industry for 27 years. He is proud of his accomplishment as founder and past president of OneBothell. James' passion is to ensure everyone's voices are heard, regardless of the issue. He believes we can preserve the quality of life and Bothell's unique neighborhoods, while embracing sensible economic development that pays for itself. He is actively involved in many committees.

Tris Samberg Position 5

1/1/2008 - 12/31/2011 and 1/1/2014 - present (Term Expires 12/17)

Tris Samberg is a 21-year resident of Bothell. She served on Planning Commission for 10 years (1997-2007) and City Council (2008-2011) prior to her current term on Council. During this time, she has supported a balance between growth and quality of life for existing residents, from downtown redevelopment to the acquisition of open space such as the North Creek Forest and Wayne Golf Course. Tris is a pharmacist by day and is raising a teenager with her husband of 20+ years. An avid user of the park system, she plays with a local softball team, The Ballistics.

Tom Agnew Position 7

1/1/2010 - present (Term Expires 12/17)

Tom Agnew and his wife have been residents of Bothell for 34 years. They chose Bothell to raise their family in and have not been disappointed yet. Tom has been a public servant most of his life. He started out as a medic in the Army in 1968. When he came home he worked on an ambulance then joined Medic One as a Firefighter/Paramedic and worked there from 1979 until retirement in 2005. He then helped in a study to improve cardiac arrest survivability which increased the success rate by over 20%. He has enjoyed the redevelopment of Downtown.

CITY MANAGER'S MESSAGE

by Bob Jean, Interim City Manager

Two Bothell measures on November ballot

Voters this November will see a full ballot, both in Snohomish and King Counties. I encourage you to read the entire ballot; there are important local measures and state races as well as the presidential election. Let me draw your attention to two Bothell measures:

- Advisory Proposition 1, on banning fireworks, and
- The Safe Streets and Sidewalks Levy.

Fireworks are a time-honored tradition in Bothell, yet some residents have been asking for a ban to ensure safety for people and pets. This will be an opportunity for you to weigh in on whether to prohibit consumer fireworks in Bothell. The Council will take the results into consideration when making a decision on fireworks.

Public safety is one of the top functions of local government, and one we at the City take very seriously. Public safety is more than police and fire protection. It includes streets and sidewalks, too.

Revenues that fund street maintenance have declined over the past several years. Gas tax revenues have been going down on a per vehicle basis, as people drive more fuel-efficient or electric vehicles. Vehicle license fees and taxes have also been cut. During the Great Recession

the City cut its overall budget, including police and fire, to pick up some of the needed costs for basic streets maintenance. Those costs continue to grow faster than overall inflation. One-time revenues that we used to backfill the budget have dried up. We held off asking voters for additional funding during the recession, knowing things were tough for residents and businesses alike. Now we are out of other good options.

Without this levy for street maintenance and sidewalk improvements, we will be forced to cut the streets and sidewalk budgets even further. Safe streets benefit both drivers and bicyclists, and allow our emergency vehicles to get to you quickly in times of need. This also will provide safe routes to schools and parks. Now it's up to you to decide.

How much would this cost if approved? For the median Bothell household (\$376,000 assessed value), it would be about \$16 a month more or \$188 per year. The levy adds 50 cents per \$1,000 in assessed value, still keeping Bothell on par with other local jurisdictions' total tax rates.

I urge you to study these measures carefully and then vote. Ballots will arrive in mailboxes in mid-October for the general election. Remember to read your entire ballot, as Bothell measures will likely be near the end.

Pollution Prevention Week

SEPTEMBER 19-23, 2016

Join us as we celebrate 26 years of pollution prevention efforts by joining in "National Pollution Prevention Week." This effort focuses on stopping pollution at its source rather than focusing on treatment and disposal which are more costly and less effective.

You can help reduce or prevent pollution at the source through cost-effective daily habit changes:

- Wash your car at a commercial car wash • Check your vehicle for leaks and get it fixed
- Pick up your pet waste • Use little to no chemicals on your lawn and garden

Join other residents, industry and government working together to reduce pollution.

Learn more: www.bothellwa.gov/surfacewater

City coordinating fire recovery

The City's focus is on recovery after a fire destroyed the historic Mercantile Building and the Bothell Mall on east Main Street in late July. The City has set up a Business Assistance Recovery Team (BART), co-located at City Hall with the Fire Marshal's Office, as a one-stop information and assistance center. The purpose is to help property owners rebuild while maintaining the historic nature of the old Main Street.

For more information, go to www.bothellwa.gov/FireRecovery or contact Jennifer Warmke, Emergency Management Services Coordinator, at 425.806.6270.

Fireworks on Nov. 8 ballot

Consumer fireworks (so-called "safe and sane" fireworks) are legal in the Bothell city limits on July 4 from 9 a.m. to 11 p.m. Every year some Bothell residents look forward to celebrating Independence Day with fireworks, while other residents are concerned about fireworks causing injury or property damage.

The Bothell City Council wants to know whether the community prefers to keep fireworks legal on July 4 or whether to ban them. On general election ballots this November, voters will be asked to weigh in on Advisory Proposition 1. Council will consider the outcome of the advisory ballot measure when making a determination about whether the sale, possession and discharge of consumer fireworks should be prohibited in the City of Bothell. If a ban is enacted, the measure would not affect licensed public displays.

The soonest that a fireworks ban could be effective would be July 4, 2018.

On a related matter, Council has approved an ordinance to implement an emergency ban of fireworks when hot dry weather occurs before July 4 in any given year. An emergency ban would be considered year-to-year and the soonest an emergency ban could be implemented is July 2017.

Are YOU prepared for a disaster?

Do you want to learn how to better prepare for emergencies, so you can help yourself, your family and your neighbors? Register now for Community Emergency Response Team (CERT) training, which will begin in October. The CERT course is an intensive eight-week disaster preparedness course to train individuals, businesses, community members, and neighborhood leaders in basic emergency response skills, offered by Bothell Fire and E.M.S.

Topics include: Disaster Preparedness • Disaster Medical • Fire Suppression
Light Search & Rescue • Terrorism • Disaster Psychology • Final Disaster Simulation

Find course dates and registration forms at www.bothellwa.gov/cert

The course fee is \$50/per person. Space is limited to 20 participants.

YOUNG REMBRANDTS PRESCHOOL DRAWING CLASSES

Cars, Trains, Trucks and Planes (Ages 3.5 - 5)

Vrooom! Honk! Choo-choo! Does your child love anything with wheels? In this fun class, just for preschoolers, we will draw all sorts of vehicles, and have lots of fun dreaming of being a race car driver, railroad engineer, or airline pilot. We'll fill our drawings with cars, trucks, airplanes, trains, and more. Don't miss this exciting, original, hands-on art class!

Registrations must be received by the Friday before class begins.

Soccer 2: Skillz and Scrimmages (Ages 7-10)

Players will enjoy advanced skill building: dribbling, passing and shooting in a team play format. Each class we will play games to build individual skills and small-sided scrimmages that emphasize finer technical points. This is the perfect bridge from our Soccer I class to the next level. All levels of skill are welcome to learn and enjoy the world's most popular sport! Participants receive a soccer jersey. Shin guards are required at the first class.

Smart with Art

Smart with Art is an innovative, fun mobile art company providing educational art experiences. We strive to provide enriching art experiences, where students are offered the option to explore and create while learning new skills. In each Smart with Art class, students will learn about how to use the materials at hand, be exposed to cultural and art historical content and explore the principles of design. Check out our website at www.smartwithart.net to learn more. *Registrations must be received by the Wednesday before class begins.*

SATURDAY SMART WITH ART WORKSHOPS

Clay Creations for Fall (Ages 6 - 11)

Join Smart with Art as we create and design clay pieces that can be displayed in your home with a fall theme. Works of art will be created, glazed and fired in our kiln. Clay will be returned to Bothell City Hall 2 weeks after workshop date for pick up. Dress for Mess!

Super Sitters (Ages 11 - 15)

This program is designed to train young people in basic babysitting and home-alone skills. Students completing this course will be better prepared to provide a safer and more positive infant/child care experience. Taught by a hospital-qualified instructor, this course includes parent expectations, basic first aid, home and fire safety, the Heimlich maneuver, telephone tips, toys and activities, and infant care. Participants receive a Babysitting 101 handbook as well as a course certification card upon successful completion of the class. Bring a sack lunch, drink, and an afternoon snack. *Registrations must be received by the Wednesday before class begins.*

Beginning Digital Photography (Ages 15 & up)

Are you frustrated with your digital camera? Tired of blurry images, or images that are too dark or too bright? Then this beginning digital photography class is just what you need to change that frustration into happiness. This 5 week class will teach you everything you need to know about how to use your camera to its fullest potential. Class covers all the basics including composition, shutter speed, aperture, ISO, white balance and basic flash. Each week you will build on the previous week's lessons and all techniques are taught through hands-on exercises that are fun and instructional. Jeffrey Fong is a professional photographer who loves teaching beginning photography and watching people become excited to use their camera.

DSLR or Point and Shoot camera with DSLR features required. Tripod will be necessary for class as well. Participants must have basic working knowledge of their specific camera.

Juggle 4 Fun

(Ages 10 & up)

No experience is necessary. Beginners will learn the basic three ball pattern while more experienced jugglers can learn harder tricks like "The Factory." In addition to balls, we use rings, clubs and other juggling props. There is ample opportunity to work on team juggling and to get help with juggling more than three objects. Juggling is great for improving hand-eye coordination and is fun for the whole family. New students can bring their own juggling balls or borrow balls from the instructor. Juggling balls are also available for \$8 and up. **No class on 11/23*

September 28 is "Try Juggling for Free" night. Bring yourself or the entire family to class for free and give juggling a try.

What is all the BUZZ about? (Ages 15 & up)

Did you know you could do wonders for your garden and help the environment at the same time? In the last few years the honeybee population has plummeted due to a variety of impacts. Without these pollinators, many crops in the United States could be lost. Luckily, the Mason Bee can still thrive! Come join us for a wonderful conversation about Blue Orchard Bees and how they can help pollinate your gardens, especially fruit and berry crops. Missy Anderson (alias Queen Bee) from King County Master Gardeners, offers an engaging presentation on these wonderful Mason Bees. Learn about their gentle nature, the value they bring to your world and how easy it is to "host them" in your own yard as well as give them as gifts. *Registrations must be received by the Wednesday before class begins.*

S 1/21 10 a.m. - 3 p.m. Loc: Lytle House

Come Join the Salmon Watcher Program

Want to help identify salmon species and count spawning salmon in local streams? You're invited to attend a training program. Volunteers will attend one training session and pledge to watch a site along a local road or bridge for 15 minutes, twice a week from September to December. Representatives from sponsoring agencies and organizations will support you throughout the program.

This is the 21st year of the Salmon Watcher Program, a multi-jurisdictional partnership

focused on protecting salmon and educating the community. This program allows residents to see what's going on first-hand in our local streams, and help detect any potential barriers or issues that would prevent salmon from spawning safely. The more eyes watching, the more information we have about conditions and activity in our watersheds.

Your observations also add to information that scientists and policy-makers use to make recovery decisions. And, you get to experience the magic of spawning salmon in your neighborhood — an opportunity Bothellites are lucky to have.

TRAINING SESSION: TUESDAY, SEPTEMBER 13 • 7-9 PM
BELLEVUE CITY HALL, 450 110TH AVE NE, BELLEVUE

Questions about the program? Contact Janet Geer janet.geer@bothellwa.gov 425.806.6796

Here's hoping for a fish-filled fall.

Belly Dance for Beginners (Ages 15 & up)

This class is for students who are new to belly dance or students who are new to Sunniva's lessons. In this class you will learn exciting dance steps and moves to increase your confidence, core strength and coordination. The class will be broken up into different sections. Focuses will be warm up and drills, new moves, improvisational skills, stretching and cool down (a yoga mat can be brought for this time). Please dress comfortably in exercise tops or t-shirts and yoga pants or shorts. Many belly dancers dance barefoot but shoes are allowed. All ages and sizes are welcomed and encouraged to come to class. Please contact Sunniva for more information: Sunniva5128@gmail.com, Registrations must be received by the Monday before each session begins. *No class on 9/21, 11/23.

Do you like to walk in Bothell? Help create the Bothell Walking Guide

The City of Bothell Parks & Recreation Department, along with the National Park Service, Community Transit, and UW Bothell, is working on the Bothell Walking Guide - a resource for the Bothell community to learn about great walks around the places where we live, work, learn, and play!

What is a Walking Guide? It will be a tri-fold brochure that highlights about 10 signature walking routes in the Bothell area. The goal is to promote walking as a safe, healthy, and fun way to enjoy the community and get active. Eventually, we want to encourage Bothell healthcare providers to use the Walking Guide as part of a "walking prescription program."

Community input is crucial in planning and designing the Walking Guide. Please take five minutes to tell us about your experiences on Bothell parks and trails. You have a chance to win a prize!

Take the survey: <https://www.surveymonkey.com/r/7LFR6CF>

Bothell FIT4MOM Classes *(Open to all moms)*

Are you a new or seasoned mom looking to get in shape, meet other moms, and set a positive example for your little one? Look no further, FIT4MOM of Bothell has partnered with the City of Bothell Parks & Recreation to bring you Stroller Strides classes! Stroller Strides is a 60 minute, total body fitness program for moms that

you can do with your baby. It includes power walking and intervals of body toning using exercise tubing, the environment, and the stroller. Taught by specially trained instructors who are also moms, Stroller Strides is designed to be a great workout for ANY level of exerciser. Your first class is FREE, come try one at any time!

Visit www.bothell-kirkland.fit4mom.com for our complete class schedule including times, days, and fees. All payments are taken at class. Contact Hilary Storey with any questions at hilarystorey@fit4mom.com

Monday – Saturday 9:30 a.m. Loc: Park at Bothell Landing *(This program will run through October if weather permits.)*

Give input into the East Norway Hill Park Master Plan

You're invited to a workshop to share ideas and suggestions for the East Norway Hill Park Master Plan. The Bothell Parks and Recreation Advisory Board and the Parks and Recreation Department want to hear from you:

Thursday, Oct. 13, 7 p.m.
Bothell City Hall, 18415 – 101st Ave NE

The City acquired East Norway Hill Park from King County during an annexation. The park, in southeast Bothell, is 25.1 acres. About 22 acres is undeveloped, and just shy of three acres is developed, with an informal field space and a few picnic tables. The park has no off-street parking, children's play equipment, restroom or other amenities commonly found at a neighborhood or community park.

The final master plan will be used to guide any future improvements to the park.

Questions? Contact John Keates, Parks and Recreation Director, john.keates@bothellwa.gov, 425.806.6751

FREE WORKSHOPS OFFER OIL LEAK INSPECTIONS

Does your car drip? Ever wondered if a 'spot' on the ground came from your car?

Instructor-Facilitated Online Learning

WWW.ED2GO.COM/BOTHELL

Our instructor-facilitated online courses are informative, fun, convenient, and highly interactive. All courses run for six weeks (with a two-week grace period at the end). Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links, and more. You can complete any of these courses entirely from your home or office and at any time of the day or night.

How to Get Started:

1. Visit www.ed2go.com/bothell and choose a class from the many choices listed
2. Fill out the registration form and mail/fax/walk to Bothell Parks and Recreation with payment.
3. Once you have registered with the Bothell Parks and Recreation, go back to our Online Instruction Center www.ed2go.com/bothell
4. Click the Orientation link and follow the instructions. During orientation, you will learn important information about your course and be provided an opportunity to choose the name and password you will use to access your course.
5. When your course starts, return to our Online Instruction Center and click the Classroom link. To begin your studies, simply log in with the name and password you selected during orientation.

Start Dates: A new section of every course in this catalog will begin on September 14, October 12, November 9 and December 14

Requirements: All courses require Internet access, e-mail, the Netscape Navigator, or the Microsoft Internet Explorer. Some courses may have additional requirements. Please visit our Online Instruction Center for more information.

Class Fees:.....R \$87/NR/\$104

Multiple classes may be offered under each of the following sections. Make sure to go to www.ed2go.com/bothell to see a complete list and description of class offerings.

Wayne Golf Course Visioning Process complete

With your help, the City of Bothell, Forterra (a non-profit land conservation, stewardship and community-building organization), OneBothell and King County have completed first phase of the Wayne Golf Course Visioning Process. Thank you to everyone who participated, including more than 1,000 community members who completed an online survey, and many who attended one or more public meetings. You can find the results in the Visioning Plan Report online.

The Visioning Plan will be used to support numerous grant applications for acquisition of both the Wayne Golf Course front nine and the back nine. The Plan also will guide decisions during the acquisition process leading up to completion of a formal Master Plan when the property is acquired.

Regional park info available at: myparksandrecreation.com

Office hours: 8 a.m. to 5 p.m.

Check whether you live in the City limits:

www.nwmaps.net

RESIDENT DISCOUNT FEE

City of Bothell Parks and Recreation strives to provide quality and affordable recreation opportunities to the community. In recognition that Bothell citizens support our Parks and Recreation services through their city taxes, the City offers its residents a discount on all fee-based recreation programs. Not all persons with Bothell mailing addresses live within the city limits. If you receive a City of Bothell utility bill, you are a Bothell resident. Not sure? Our Parks and Recreation staff will be able to assist you (425.806.6760). Those persons not living within the city limits are welcome to enjoy our activities at the rates listed.

Please Note: All participants are required to sign a hold harmless form prior to participating in any registered program. Parent or guardian signature is required for all participants under 18 years of age. Some class programs may require a separate hold harmless form to be signed due to the specific nature of that program.

ACCESSIBILITY

City of Bothell Parks and Recreation will make every effort to provide reasonable accommodation for people with special needs. Please contact us three weeks prior to the class starting to discuss accommodations.

SATISFACTION GUARANTEED

City of Bothell Parks and Recreation strives to provide the best possible recreational programs and to ensure customer satisfaction. If you are dissatisfied with the quality of the program, facility or instructor, you should contact the staff prior to the second class or within two days following a one day class so that your concerns can be quickly addressed.

REFUND POLICIES

Before you register for any class you should read and understand the following refund policies.

NONDISCRIMINATION POLICY

The City of Bothell complies with the State of Washington's "Fair Play in Community Sports Act" (Chapter 467, 2009 Laws, effective date July 26, 2009) that prohibits discrimination against any person in a community athletics program on the basis of sex. Any questions or comments, please contact John Keates, Parks and Recreation Director.

PROGRAMS AND ACTIVITIES

Refund/credit granted if request is made at least five (5) business days prior to the start of class, less \$10 administrative fee.

100 percent refund if class is cancelled.

Class withdrawal requested less than five (5) business days prior to the start of class will result in a credit/refund of 50 percent of the registration fee less a \$10 administrative fee per registrant per class. No refunds for classes costing less than \$10. No refunds/credits will be issued after a class has started.
