

Main Street Enhancement Groundbreaking!

March 28
10 - 11 a.m.

Main Street block between
101st Ave NE & 102nd Ave NE

Community leaders' remarks,
coffee & pastries, and lots of
celebrating!

About the project

The Main Street Enhancement project integrates the historic district with the ongoing development of public spaces downtown. Main Street's one hundred year legacy makes it the heart and soul of Bothell. The project aims to keep that spirit alive while transforming Main Street into a vital community gathering place.

Getting there

Headed east or west on 522, turn north onto 101st Ave NE.

Headed north or south on Bothell Way NE, turn east onto Main St.

Free parking one block north in City Hall garage (18415 101st Ave NE).

Check www.bothellwa.gov/traffic for downtown road construction alerts.
