City of Bothell™

COUNCIL CORNER

By Tom Agnew

New Council embarking on new dreams in the New Year

I am excited to continue serving as your City Councilmember and am now in my third term. Your City Council, including three new members, has an ambitious list of goals for the next three years. Among those goals are some near and dear to my heart, including a public safety strategy. Bruce Kroon, our Fire Chief, has worked together with stakeholders to develop a Bothell Fire Department strategy. It defines what we need to do to meet current objectives and plan for the future.

With the Fire Department strategy, along with information about growing pressures on the Police Department and the Municipal Court, we will work with the community to define a public safety levy for this coming November.

With its incredible sense of community, great parks and top notch schools, Bothell continues to grow and attract new residents. We are working hard, along with City staff, to achieve a balance between growth and open space. We made a significant step late last year by purchasing the Wayne Golf Course, preserved as open space in perpetuity.

“With its incredible sense of community, great parks and top notch schools, Bothell continues to grow and attract new residents.”

Now our Parks & Recreation Department needs your involvement. They are working to create a master plan for the new park, which will define what improvements will be needed over the next couple of decades.

Our Public Works Department is also continuing to bring you improved streets and sidewalks, thanks to the passage of the Safe Streets & Sidewalks Levy in 2016. Check out pages 19-22 for more on the progress and what’s coming this year.

Another significant project underway is the Canyon Park Visioning effort. The Community Development Department has engaged stakeholders and the public to develop a new vision for this area. This year staff will develop Comprehensive Plan policies for the Council’s review and approval, and the City will implement regulations to achieve the identified vision.

It is an exciting time to be involved in the City of Bothell, and with your help, we’ll keep pursuing our ambitious goals and dreams. I look forward to seeing you at an upcoming Council meeting, a community event, or at one of our wonderful parks.

Fire Chief Bruce Kroon

Fire Department outlines plans for the future

This year the Bothell Fire Department is making several timely changes. We finalized our community-driven strategic plan, building a road map for the future. The strategic plan outlines how we will focus on the needs and expectations of our customers through 2023. As an example, one of the plan objectives is to analyze our current facilities and equipment to determine how we can better serve the needs of our growing community in the years to come.

Through the strategic planning project we also updated our mission, vision and values to better reflect the organization we strive to be. As part of this process, we changed our name from City of Bothell Fire and E.M.S. to City of Bothell Fire Department.

Mission Committed to exceptional service through preparation, prevention and performance

Vision Improving the quality of life for our team, our partners, and those we are proud to serve while engaging the community... making every customer’s day better

Values Compassion, Humility, Integrity, Progressive, Teamwork

Report Spills

See something hazardous heading to the storm drain?

Spills to our roads and storm drains are carried through our stormwater system to local streams. From there, they can cause serious problems for people, pets and the environment. Always call us right away if you see a spill so we can clean it up before it reaches our local streams.

If the spill is a direct hazard to human or environmental health, call 911. Otherwise, call the Spill Hotline as soon as you can.

What should you report?

A good rule of thumb: if you wouldn't want to swim in it, tell us about it! Let us know if you see these things going into or making their way toward a storm drain:

- car wash water
- vehicle fluids
- dog poop
- construction site debris
- paint
- chemicals of any kind

Learn more about harmful things to look out for at

RECREATION - SUMMER CAMPS

Nature Vision: Outdoor Adventure Camp *Ages 6-12*

Play, explore, and spend a full week with our experienced outdoor enthusiasts. Complete team challenges in orienteering, shelter building and other outdoor skills to learn how to have an exciting and safe time in the great outdoors.

#SU180010 R \$270/NR \$324
M - F 7/9 - 7/13 9:30 a.m. - 4 p.m.
Loc: Lytle House

Young Rembrandts: Anime Style *Ages 5-12*

Come explore the world of anime with Young Rembrandts! We will spend four days learning about and drawing comics in the anime style. We will learn to create our own original anime characters. We will use a variety of facial expressions and action and movement to illustrate our scenes. On the final day, we will pull together everything we've learned to draw to create a colorful poster in anime style!

#SU180009 R \$175/NR \$210
M - F
6/25 - 6/29
1 - 4 p.m.
Loc: Lytle House

Young Rembrandts

Play-Well Teknologies: Mine, Craft, Build Adventure Game *Ages 5-7*

Bring Minecraft to life using LEGO® materials! Resourcefulness, creativity, and cooperation come together in this unique building adventure game. Roll the dice to mine for resources, and use these resources to build special items to help in our adventures! Build a zoo, create a medieval castle, and design a tree house village! This experience is an original game designed by Play-Well instructors inspired by the popular game, Minecraft. Students will have a blast, even without any prior experience with Minecraft or LEGO® material.

#SU180011 R \$174/NR \$209
M - F 7/16 - 7/20 1 - 4 p.m.
Loc: Lytle House

RECREATION - SUMMER CAMPS

Young Rembrandts: Monsters & Creatures

Ages 5-12

Laugh-out-loud funny! Mind-bendingly creepy! Eerie but exciting! These are just some of the words that best describe our Monsters & Creatures Drawing Camp. Over the course of five days, you will learn to draw and color cartoon monsters of all shapes, sizes and colors. Big monsters and little monsters. Furry monsters and scaly monsters. We will work with pencils, Sharpies, markers, and chalk pastels. Be a part of something fun and special. Enroll today.

#SU180012 R \$175/NR \$210

M - F 7/23 - 7/27 1 - 4 p.m.

Loc: Lytle House

Play-Well Teknologies: Jedi Engineering Ages 6-12

The Force Awakens in this introductory engineering course for young Jedi! Explore engineering principles by designing and building projects using LEGO® materials such as X-Wings, R2 Units, Energy Catapults, Defense Turrets, and Settlements from a galaxy far, far away. Create motorized and architectural projects with imagination and engineering to defeat the Empire!

#SU180014 R \$174/NR \$209

M - F 8/6 - 8/10 1 - 4 p.m. Loc: Lytle House

Chess4Life Camp Ages 6-12

At Chess4Life, students of all levels develop important life skills such as focus, sportsmanship and planning while learning and improving in chess! Each camp provides an education program tailored to your child's needs through an assessment completed at the beginning of camp. Our instructors challenge students with exciting lessons and activities that reinforce a solid chess foundation and encourage positive life skills.

#SU180013 R \$220/NR \$264

M - F 7/30 - 8/3 1 - 4 p.m.

Loc: Lytle House

Smart With Art: Secret Life of Pets Ages 6-12

Artists will learn how to create a painted pet portrait to scale of their favorite furry friend. We will also enjoy crafting and baking some special edible treats for our pals, and designing wearable art. Join us on this fun pet adventure!

#SU180015 R \$220/NR \$264

M - F 8/13 - 8/17 1 - 4 p.m. Loc: Lytle House

Mad Science: Radical Robots Ages 7-12

Join Mad Science and our Radical Robots as we investigate the FUNDamentals of robotics. We'll examine the science behind electricity, conductors and simple circuits. We'll experiment with line tracking, sound and infrared sensors, and investigate how robots use these components to function and explore the world around them. Each day campers will assemble sections of their own Kingii Dragon Robot from OWI to take home and continue their discoveries!

#SU180016 R \$190/NR \$228 (+\$30 materials fee)

M - F 8/20 - 8/24 1 - 4 p.m. Loc: Lytle House

Spring Break Camp - Skyhawks: Basketball

This fun, skill-intensive program is designed for beginning to intermediate players. An active week of passing, shooting, dribbling, and rebounding makes this one of our most popular programs. Our basketball staff will also focus on respect, teamwork and responsibility. Participants should bring appropriate clothing, a lunch and snack (for programs over four hours) or two snacks (for programs four hours or less), and a water bottle.

Ages 6-12 (full day)

Spring Break Camp - Young Rembrandts: Superhero Cartooning (Ages 5-12)

Pow! Bang! Wow! Now you can learn to draw your own comic book superhero. Each day we will complete several drawings while we explore a variety of characters. We will learn to draw action and movement while we complete the scenes around our superheroes, using pencils, Sharpies™, and markers. On the last day, we will create a poster-size drawing incorporating everything we learned during the week.

KIDZ LOVE SOCCER

Kids ages 2 to 10 learn the world's most popular sport from professional coaches trained in the Kidz Love Soccer method. A session includes age-appropriate activities: skill demonstrations, games, and instructional scrimmages conducted in a non-competitive, recreational way. Kidz Love Soccer: "where the score is always fun-to-fun!" Registrations must be received by the Wednesday before class begins.

Each child will receive a soccer jersey. Unless otherwise noted, shin guards are required after the first class.

For more information, visit www.kidzlovesoccer.com

Kidz Love Soccer Rainout Hotline: 1-888-372-5803

Mommy/Daddy & Me Soccer (Ages 2-3.5)

Introduce your toddler to the "world's most popular game!" Your child will develop large motor and socialization skills through a variety of activities designed around the game of soccer. The fun happens on the field, and in Mommy/Daddy & Me Soccer, you won't watch from the sidelines! Each child will receive a soccer jersey. No shin guards required. **No class 5/25 or 5/28*

 Fri 5/4 - 6/22* 5:20-6:05 p.m. Loc: Cedar Grove Park

Come enjoy Bothell’s newest park

You’re invited to come visit Bothell’s newest park on the site of the former Wayne Golf Course, preserved in perpetuity in the City’s largest acquisition for a single park. Walk on the former golf cart paths and meander over the vast greens; enjoy picnics, informal sports and other passive uses in the open space; and spot herons, ducks and bald eagles.

What comes next?

Since the City’s purchase of the Wayne Golf Course in December, staff has been working with the Parks & Recreation Board and the community to name the new park. The Parks & Recreation Board will bring a recommendation to City Council this spring.

In the meantime, come enjoy the new park and take a walk along the Sammamish River.

Hours: Park opens 30 minutes before sunrise, and closes 30 minutes after sunset.

Parking: Old Golf Course Clubhouse (16721 96th Ave NE) - or - at Blyth Park, 16950 W Riverside Dr. and take the trail.

Dogs: Dogs are allowed in the park, but must be kept on leash at all times. Owners are required to pick up after their dogs.

Golf: Golf is no longer permitted in the park.

Sat 5/12 10 a.m. - 12 p.m. Loc: Lytle House

Young Rembrandts: African Safari (Ages 5-12)

Go on a safari adventure with Young Rembrandts! We will explore the exciting land and many animals that inhabit Africa. Over the course of three Saturdays, we will draw a variety of animals in realistic, graphic, and cartoon styles. Media will include pencils, markers and chalk pastels. Our exploration through Africa allows for a bounty of adventure and creativity. Bring a small snack each day, and dress for a mess!

#SP180217..... R \$105/NR \$126
Sat 4/14 - 4/28 9 a.m. - 12 p.m. Loc: Lytle House

Young Rembrandts Cartoon Workshops (Ages 5-12)

In this 1-day Workshop we will create exciting cartoon imagery filled with dynamic characters and expressive personalities. Learn to draw comical characters based on animals, people, and inanimate objects. Then we'll put our characters into silly situations and learn how to tell a story using only pictures. Each workshop features brand-new drawings, so sign up for one or both—you'll have a unique experience every time. Be sure to bring a small snack and your sense of humor!

About Boating Safely

(Ages 12+, ages 12-15 with an adult)

Everyone who successfully completes this course qualifies for a Washington State Boater Education Card. Topics include boating safety equipment and skills for a variety of types of boats including power, sail, personal watercraft and paddlecraft. Instructors from the U.S. Coast Guard Auxiliary will cover how to prevent accidents, choose the right life jackets and other boating gear, best practices for trailering your boat, local laws and “rules of the road,” and the basics of navigation. Registration must be received by the Wednesday before class begins.

Beginning Digital Photography

Are you frustrated with your digital camera? Tired of blurry images, or images that are too dark or too bright? Then this beginning digital photography workshop is just what you need to change that frustration into happiness. This workshop will teach you what you need to know about how to use your camera to its fullest potential. We will cover the basics including composition, shutter speed, aperture, ISO, white balance and basic flash. Techniques are taught through hands-on exercises that are fun and instructional. Jeffrey Fong is a professional photographer who loves teaching beginning photography and watching people become excited to use their camera. DSLR or point and shoot camera with DSLR features required. A tripod will be necessary for class as well. Participants must have basic working knowledge of their specific camera. Questions? MEET YOUR CITY COUNCIL

City Councilmembers hold regular office hours at City Hall. Please contact Councilmembers directly to schedule an appointment during office hours.

More information: www.bothellwa.gov/council

L-R: Andy Rheume, Jeanne Zornes, James McNeal, Davina Duerr, Liam Olsen, Rosemary McAuliffe, Tom Agnew

Andy Rheume Position 2 ~ Mayor

andy.rheume@bothellwa.gov, 206-999-8835 • Served on Council since 2012

Andy Rheume has dedicated his career to local government. He is currently a senior planner at the City of Redmond, and has worked for Seattle Public Utilities and the Shoreline School District. A graduate of Bothell High School, Rheume has a Bachelor of Science in Environmental Sciences from University of Washington Bothell, and an Associate of Arts in Engineering from Shoreline Community College.

Rheume has lived most of his life in Bothell and he and his wife are raising their three sons here.

Davina Duerr Position 6 ~ Deputy Mayor

davina.duerr@bothellwa.gov, 425-219-7945 • Served on Council since 2016

Duerr has been active in education and civic affairs for 10 years. She has chaired the Bothell Landmark Preservation Board and is a former vice president of the Northshore Schools Foundation. She co-founded and co-chairs the foundation's M.I.L.K. Money campaign to raise money for children experiencing homelessness in the Northshore School District. Duerr has a bachelor's degree in architecture from Syracuse University and is a senior interior architect at a local architecture firm. She has lived in Bothell since 2001.

She and her husband, Bernie, are raising two teenagers. She also enjoys reading, fused glass, and swimming.

Jeanne Zornes Position 1

jeanne.zornes@bothellwa.gov, 425-806-6461 • Served on Council since 2018

Jeanne Zornes has been active in education, neighborhood and City issues for more than 10 years. Most recently, she has served on the Bothell Planning Commission and Campus Traffic Advisory Committee. An educator in both public and private schools, Zornes currently substitutes in the Northshore School District. She also does freelance family photography. Her education background is in audiology and deaf education. Both degrees are from the University of Washington.

She and her husband, Bruce, moved to Bothell 30 years ago. They have four sons and a daughter.

Rosemary McAuliffe Position 3

rosemary.mcauliffe@bothellwa.gov, 206-601-2253 • Served on Council since 2018

Rosemary McAuliffe has been in public service for more than 40 years. She was a Washington State Senator from 1993 to 2016. Prior to that, she served on the Northshore School Board of Directors from 1977 to 1991. A founding member of the Greater Bothell Chamber of Commerce, McAuliffe owns the Hollywood Schoolhouse in Woodinville. She has a Bachelor of Science in Nursing from Seattle University.

McAuliffe has lived in Bothell for 54 years. She and her husband, James, have six children (all Bothell High School graduates) and 15 grandchildren. She enjoys traveling.

James McNeal Position 4

james.mcneal@bothellwa.gov, 425-466-2599 • Served on Council since 2016

James McNeal is a founder and past president of OneBothell. He enjoys serving on many committees to ensure Bothell's voice is heard throughout the region. McNeal has worked in the construction industry for 27 years.

He and his wife, Colleen, grew up in and around Bothell and enjoy raising their twin boys here. They also have a grown daughter.

Liam Olsen Position 5

liam.olsen@bothellwa.gov, 425-299-7081 • Served on Council since 2018

Liam Olsen has been on the Bothell Landmark Preservation Board since 2010 and brings extensive professional experience in transportation. Olsen is a transportation engineer at KPFF Consulting Engineers and a Registered Professional Civil Engineer. He has a bachelor's degree in biology from University of Puget Sound and in civil engineering from University of Washington.

A Washington native, Olsen has lived in Bothell since 2004. He is an avid bike rider, Husky football fan and tailgater, and a member and officer of the Fraternal Order of Eagles.

Tom Agnew Position 7

tom.agnew@bothellwa.gov, 425-444-9494 • Served on Council since 2010

Tom Agnew has spent most of his life in public service, having served as a Medic in the Army and a firefighter/paramedic until his retirement in 2005. He then helped in a study to improve cardiac arrest survivability.

Agnew and his wife have been Bothell residents for 36 years.

CITY MANAGER'S MESSAGE

Living our City values *by Jennifer Phillips*

As we continue to plan our future together, the City of Bothell is guided by organizational values that help define our culture and influence our decision-making. This year in the Bothell Bridge, my column will highlight these values and how we are integrating them into our daily actions and decisions.

I'd like to first address customer service. City staff works diligently to deliver exceptional services to our community. Last year the City launched an enhanced Customer Service Center at City Hall. Our vision is to be a concierge to the community. We hired talented and friendly staff to offer traditional services such as pet licensing, utility bill payments and picnic shelter reservations. This year we are working to expand the program to include connections with social services, community services, and activities. Our goal is to become a valuable resource for information and assistance to anyone who visits or calls City Hall.

Another long-awaited advancement for the City is the implementation of a new financial software system. When this new system is launched later this year, customers will finally be able to pay their utility bills online. Our city budget also will be fully accessible to the public. These are just two additions we have made to our service delivery. Staff has more innovative ideas and we continue to look for areas to improve.

If you have ideas or suggestions please contact me at jennifer.phillips@bothellwa.gov. The next edition of the Bothell Bridge will highlight teamwork and innovation. Stay tuned!

Benefits of Bothell's Animal Control program

Did you know the City of Bothell Police Department operates its own Animal Control program? This brings several benefits to Bothell pets and their people. The City's Animal Control Officer, Kristi Boucher, can respond quickly to calls since she's based in downtown Bothell. Boucher responds to calls to Police Dispatch that involve animals. She also assists police officers with calls involving animals, such as when their owner has been in a traffic accident. If a pet needs a place to stay temporarily, Boucher takes care of the animal. In addition, when residents have complaints about neighbors' barking dogs, she provides information and options. She also patrols City parks, educating pet owners about pet licensing requirements.

Officer Kristi Boucher and her dog, Tyson.

If your dog or cat is lost while wearing a valid pet license tag, anyone who finds them can help locate you and get your pet home safely. Licensing is required for all dogs and cats age eight weeks and older in Bothell. In the coming months, you may receive a door-hanger about pet licensing requirements, as local volunteers are helping publicize the program.

PetData, 877-816-7058

2017 Annual Accountability Report

INVESTING IN YOUR STREETS AND SIDEWALKS

Passage of the Safe Streets & Sidewalks Levy in November 2016 brings more than \$4 million in annual funding for the City's transportation network for nine years. The priorities for funding are to:

- Improve the condition of major streets
- Construct sidewalks and crosswalks around schools
- Patch asphalt and repair and replace sidewalks
- Fully fund the Street Operations division
- Improve pavement markings

The nine-year levy lid lift is at a rate of \$0.50 per \$1,000 of assessed value.

Thank you, Bothell!
bothellwa.gov/safestreeets

2017 Levy Expenditures

FUN FACTS 2017

Pavement Preservation Program

Sealed more than 14 miles of cracks on city arterials, about the distance from Bothell City Hall to the Everett Mall.

Safe School Walk Routes

Installed ten solar-powered flashing lights at five locations near Frank Love, Crystal Springs and Canyon Creek elementary schools, and Canyon Park and Skyview middle schools.

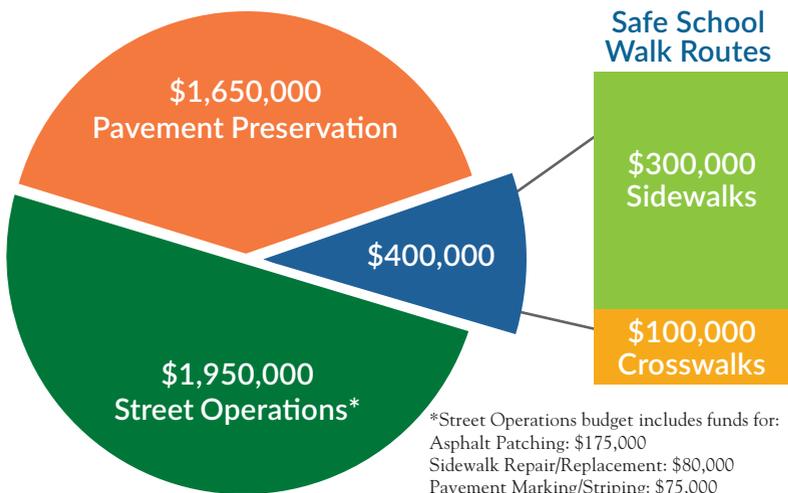

Safe Streets and Sidewalks Operating Program

Completed 39 sidewalk repair projects, totaling 1,138 linear feet or the equivalent of 2,224 dollar bills laid end to end.

Repaired 70 asphalt locations totaling 21,562 square feet or nearly the size of three baseball infields.

Filled 1,116 potholes. That's a lot of potholes!

WHAT YOUR LEVY MONEY PAYS FOR EACH YEAR (ESTIMATED)

The 2017 Safe Streets Levy expenditures will be printed in the June edition of the Bridge, and will be available online by May at www.bothellwa.gov/safestreeets

Accomplishments

Street Operations

The successful passage of the levy allows Street Operations to continue critical maintenance activities like pothole repair, asphalt patching, sidewalk repair, sign and pavement markings, and emergency response activities like snow and ice removal. It also has allowed the City to reinstate the much-needed sidewalk repair and asphalt patching programs that were eliminated during the Great Recession.

With levy funding, the Public Works Department was able to respond to multiple emergency events (snow and ice removal, flooding, etc.) in 2017 that required around-the-clock response.

Pavement Preservation

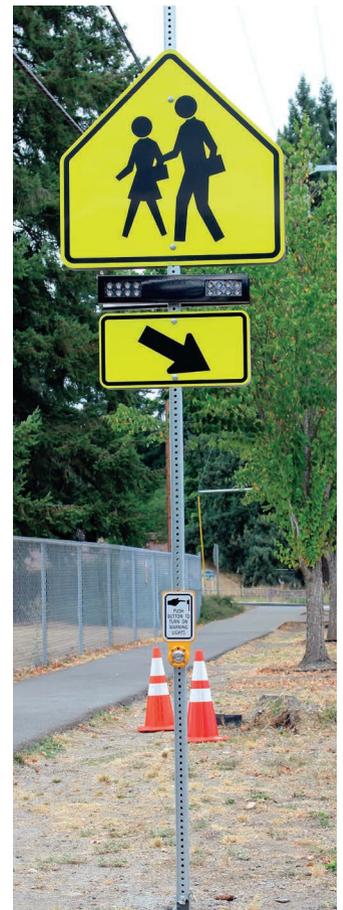

The levy funding provides a more robust pavement preservation program that began in 2017. Bothell's Pavement Preservation Program consists of three components: arterial asphalt overlay (resurfacing), arterial seal and repair, and local street seal. Major activities in 2017 were sealing cracks on City arterials and resurfacing these arterials:

- 102nd Ave NE north of E Riverside Dr to the bridge
- A portion of 100th Ave NE and 19th Ave SE
- A short section of Juanita-Woodinville Way

Safe School Walk Routes

The City has a sidewalk/walkway program that inventories and prioritizes completing missing sidewalk segments and curb ramps. Levy funding provides a more robust program with a specific focus on walkways and crosswalks near schools. Major activities in 2017:

- Assembled an 11-member Safe School Walk Routes (SSWR) Taskforce with representatives from the City, Northshore School District (NSD), and Bothell schools. The task force met eight times from February through June to discuss pedestrian needs around schools and prioritize a list of improvements. More information, including the task force's final report: www.bothellwa.gov/schoolroutes;
- Kicked off Bothell's Safe Schools Pedestrian Flag Program in partnership with NSD. Watch a video of the kickoff event: www.bothellwa.gov/flagprogram;
- Launched pedestrian-activated flashing lights at un-signalized intersections and mid-block crosswalks;
- Received grants from the State of Washington Safe Routes to Schools program totaling \$2 million for three sidewalk projects;
- Selected a consultant for the design phase of NE 188th St non-motorized improvements project and
- Completed approximately 90% of the design of 19th Ave SE/232nd St SE/23rd Ave SE non-motorized improvements project.

Communications

The City is dedicated to keeping you informed and engaged about Safe Streets and Sidewalks. In 2017, the City:

- After a staff competition, designed and unveiled a logo to brand levy-funded activities.
- Created new pages on the City website: www.bothellwa.gov/safestreets where the public can submit requests online, see a map of new and upcoming projects, and find current information about Safe Streets & Sidewalks Programs.

The Future: What's to Come?

You will see Bothell crews and contractors around the City even more this year, with projects ranging from paving and pavement repair to more improvements to school walk routes. Here are some highlights.

Pavement Preservation

Construction will begin:

- Late spring/early summer on the 2018 Crack Seal and Repair project. This will seal cracks and provide spot repairs on various streets throughout the City;
- Late summer on the 2018 Local Seal project. This will provide a slurry seal on selected local streets within the Queensborough/Brentwood/Crystal Springs subarea;
- Summer on the 228th St SE Overlay project from 19th Ave SE to 35th Ave SE and
- Summer on the 2018 Arterial Overlays project that includes Beardslee Blvd from just east of Sunrise Dr to 110th Ave NE.

Safe School Walk Routes

- Build a school walkway on 234th Pl SW with a combination of developer and levy funds.
- Design of grant-funded sidewalk projects will continue. Construction will likely occur in 2019.
 - ✦ Design, permitting, and utility coordination of the 19th Ave SE/232nd St SE/23rd Ave SE non-motorized improvements project;
 - ✦ Design of NE 188th St non-motorized improvements project and
 - ✦ Design of 7th Ave SE/88th Ave NE non-motorized improvements project.
- Additional pedestrian-activated flashing lights will be added within the next two years at:
 - ✦ 100th Ave NE and NE 200th St
 - ✦ Beardslee Blvd and 110th Ave NE and
 - ✦ Waynita Way NE and Valhalla Way

Street Operations

- Public Works will install the first round of enhanced pavement markings this year.
- Operations crews are preparing local streets for the 2018 Local Seal project (see Pavement Preservation section).

Slurry Seal for local roads

This spring and summer, the City of Bothell will use a new method to make our residential roads last longer. It is called a Slurry Seal. The City of Kirkland has been using this method since 2002. Along with Kirkland, other Western Washington cities have had good results.

Slurry Seal is a quarter-inch layer of fine gravel, asphalt, and oil. This will protect the pavement from weather and refresh the surface.

Slurry Seal is most effective on roads that are starting to show their age but have not fallen apart. This method is expected to provide 5 to 10 years of good pavement conditions. Slurry Seal is also economical, typically costing about \$1,600 per city block compared to \$17,000 for pavement overlay. Roads in poor condition are not good candidates for Slurry Seal. That is where an asphalt overlay is the best fix.

This year's project will be in the northwest part of the City, near Frank Love Elementary School, with projects in future years planned for around the City. The roads selected are the more heavily traveled local roads, ones that connect through. Cul-de-sacs and lower traveled local roads have not been selected this year.

The Slurry Seal process has several steps:

- In late spring, any big cracks are sealed with tar. Small- to medium-sized bad spots will be removed and patched with new asphalt;
- The repairs cure for a couple of months and
- In late summer, Slurry Seal will be applied.

There will be some parking restrictions and daytime roadway closures. Residents can expect to see further information with post cards, door hangers, and on-street project signs.

This project is funded through the Safe Streets & Sidewalks Levy approved by voters in November 2016.

 Local Hazardous Waste Management Program in King County

NATURAL YARD CARE

Go all natural!

Spring is a great time for planting and venturing back into the world of yard care after the cold winter. When picking plants, choose ones that grow well in the Northwest and fit the sun, soil and water conditions in your yard. Washington is lucky to have a number of native plants that are already conditioned to our climate and don't need fertilizers, pesticides or extra water. As an added bonus, native plants also help reduce flooding, control erosion and filter out sediment and pollutants from rainwater before it reaches our local streams.

To see a list of native plants and to learn more about the five steps to a healthy yard, check out www.naturallyardcare.org

Five steps to a healthy yard:

- 1 Build healthy soil
- 2 Plant right for your site
- 3 Practice smart watering
- 4 Think twice before using pesticides
- 5 Practice natural yard care

at The Recology Store!

Stop by The Recology Store Bothell for a FREE **GREEN CLEANING** workshop to learn about how to create your own cleaning supplies! Bring your own reusable bottle or container, and we'll provide castile soap, vinegar and essential oils!

April 6 from 5p.m. - 7p.m.

22833 Bothell Everett Hwy
recology.com/Bothell

We are combining Sustainamania and Ecotober into one fantastic event this summer. You will have all the features of both events in one, now at City Hall. This event provides fun activities for all ages to encourage more sustainable practices.

Date: August 18

Time: 10 a.m. – 2 p.m.

Location: City Hall

Accepting vendor and sponsor sign-ups
www.bothellwa.gov/sustainamania

RECYCLING EVENT

at the

Shoreline Recycling & Transfer Station
2300 N 165th St., Shoreline, WA 98133

Now through November 30

Cost: **FREE**

Pick up vouchers at The Recology Store
22833 Bothell Everett Hwy, #111, Bothell

Bothell residents are eligible to receive two vouchers per year while supplies last. More details:

www.bothellwa.gov/recycleevent

This program is for residential customers only.

For questions about items accepted at the Transfer Station, call 206-477-4466.

Time for Spring Cleaning

Does your garage look anything like this?

If it does, there's no time like the present to tackle the mess! If you find any hazardous chemicals while you're at it – like fertilizers, pesticides, cleaning supplies or automotive chemicals – decide whether you really need to keep them. You can often find more natural ways to care for your yard, home and vehicles. But if you do need to keep them, be sure to handle and store them properly.

Storing hazardous products

- Keep hazardous materials away from other products
- Label them clearly and keep them in their original containers
- Make sure they are at least four feet off the floor and out of the reach of children or pets
- Cover them completely

To find out whether a product is hazardous, visit www.hazwastehelp.org and type "product list" in the search box.

If you are ready to get rid of any hazardous products, learn how to do it safely and correctly.

Getting rid of hazardous products

- Don't throw them in the garbage
- Find out if you can recycle them curbside
- Bring them to the Wastemobile
- Take them to your county's drive-up household hazardous waste facility

Learn more about your disposal options at www.hazwastehelp.org

Puget Sound Starts Here Month

Are you up for the challenge?

The City of Bothell is working with hundreds of organizations across Puget Sound to challenge you during this May's Puget Sound Starts Here Month. We encourage you to do at least one action that helps keep the Puget Sound healthy.

A few ideas to try

- Take your car to a commercial car wash instead of washing it in your driveway
- Pick up your pet's waste and put it in the garbage
- Take care of your yard naturally by using compost and mulch
- Don't drip and drive – fix auto leaks right away
- Take your hazardous materials to the Wastemobile
- Don't use plastic straws
- Make sure your septic system or side sewer are in good working order
- Use native plants and trees in your yard to soak up rainwater and limit runoff

About Puget Sound Starts Here

Puget Sound Starts Here is made up of more than 750 organizations working together to raise awareness about how our everyday actions affect Puget Sound.

When it rains, water flows over hard surfaces like roofs, parking lots, driveways, streets, and lawns where the soil has been packed down. As rainwater flows towards ditches and storm drains, it picks up dog poop, lawn chemicals like fertilizer and pesticides, motor vehicle oil, and many other pollutants.

Do you know where that polluted rainwater goes next? Right into our local streams, lakes and wetlands that eventually empty into the Puget Sound. Your actions have an impact – it's your choice whether to make it a negative or a positive one.

Find more ideas to try and ways to get involved at www.pugetsoundstartshere.org

Change your clock, change your smoke detector batteries

It's that time of year again! When our clocks spring forward on March 11, it's also time to change the batteries in your smoke alarms and carbon monoxide detectors. Changing the batteries in your home safety monitors is one of the easiest and most effective ways to reduce risk of injury from a fire or carbon monoxide.

A working smoke alarm gives you and your family critical seconds to escape when every single moment counts. For help making your own home fire escape plan, visit www.bothellwa.gov/2waysout

Parks and Recreation - REGISTRATION

Registrations **NOW** being accepted. You can pay by credit card, cash or check, payable to City of Bothell.

CALL: 425-806-6760 for more information, or

MAIL or WALK-IN registration forms to: Bothell Parks and Recreation, 18415 101st AVE NE, Bothell, WA 98011

Fax registration form to: 425-806-6132

Register **ONLINE** at bothellparks.net. If you have an existing account with Bothell Recreation and need your username or password, do not create a new account. Use the "Claim Existing Account" button, or call us at 425-806-6760 for help.

Check whether you live in the City limits: www.bothellwa.gov/cobmap

Resident Discount Fee

City of Bothell Parks & Recreation strives to provide quality and affordable recreation opportunities to the community. In recognition that Bothell residents support our Parks & Recreation services through their city taxes, the City offers them a discount on all fee-based recreation programs. Not all persons with Bothell mailing addresses live within the City limits. If you receive a City of Bothell utility bill, you are a Bothell resident. Not sure? Our Parks & Recreation staff will be able to assist you (425-806-6760), or you can go to www.bothellwa.gov/cobmap to verify your address. Those persons not living within the City limits are welcome to enjoy our activities at non-resident rates.

Please note: All participants are required to sign a hold harmless form before participating in any registered program. Parent or guardian

signature is required for all participants under 18. Some class programs may require a separate hold harmless form to be signed due to the specific nature of that program.

Accessibility

City of Bothell Parks & Recreation will make every effort to provide reasonable accommodation for people with special needs. Please contact us three weeks prior to the class starting to discuss accommodations.

Satisfaction Guaranteed

City of Bothell Parks & Recreation strives to provide the best possible recreational programs and to ensure customer satisfaction. If you are dissatisfied with the quality of the program, facility or instructor, contact our staff before the second class or within two days following a one-day class so that your concerns can be quickly addressed.

Refund Policies

Before you register for any class, read and understand the following refund policies:

All programs cancelled by the customer are subject to a \$10 administrative fee. If the class fee is less than \$10, the cancellation fee is the amount of the class fee.

100% refund if class is cancelled by the City.

Nondiscrimination Policy

The City of Bothell complies with the State of Washington's "Fair Play in Community Sports Act" (Chapter 467, 2009 Laws, effective date July 26, 2009) that prohibits discrimination against any person in a community athletics program on the basis of sex. Any questions or comments, please contact Interim Parks and Recreation Director, Tracey Perkosky at 425-806-6756.
