

# AM I A BOTHELL RESIDENT?

**Definition: A Bothell resident is someone who resides within the Bothell city limits.**

Not everyone with a Bothell mailing address actually resides within the city limits. To verify whether or not your home lies within the boundary, use **COBMap**, our online GIS tool!

## VERIFYING YOUR ADDRESS USING COBMAP

1. Go to [www.bothellwa.gov/cobmap](http://www.bothellwa.gov/cobmap).
2. Enter a street address into the box in the upper right corner, and hit ENTER.

IF WITHIN THE CITY LIMITS...	IF <u>NOT</u> WITHIN THE CITY LIMITS...
<ul style="list-style-type: none"><li>• The blue address marker will be contained within the blue boundary lines.</li><li>• The address will be listed on the left side with (BOTHELL) after it.</li></ul>	<ul style="list-style-type: none"><li>• The blue address marker will be outside the blue boundary lines.</li><li>• The address will be listed on the left side with (UNINCORPORATED SNOHOMISH COUNTY) after it.</li></ul>
	

## TIPS ON SEARCHING AN ADDRESS:

- Leave out punctuation (ex: “St” instead of “St.”, “20 100<sup>th</sup> St” instead of “20- 100<sup>th</sup> St”).
- Don’t use individual apartment numbers, just search the main complex address.
- Don’t write “Street”, “Avenue”, “Boulevard”, etc. Abbreviate! (“St”, “Ave”, “Blvd”, etc.)
- You don’t have to search using the full city/state/zip. Street address will suffice.

*Note: Occasionally there is an address that COBMAP does not recognize. If that happens, you can cross-reference the address using Google Maps or another online mapping service.*

## WHY DO I HAVE A BOTHELL ADDRESS IF I’ M NOT A RESIDENT?

The city on your mailing address is there to help the post office service your home, and does not necessarily mean that you are a resident of that city.
