*DAC meeting at Alexa's, Feb 2009*

# 2015 Plan

2015 Plan

Project Limits

# Main Street Enhancement Project - Phase 1

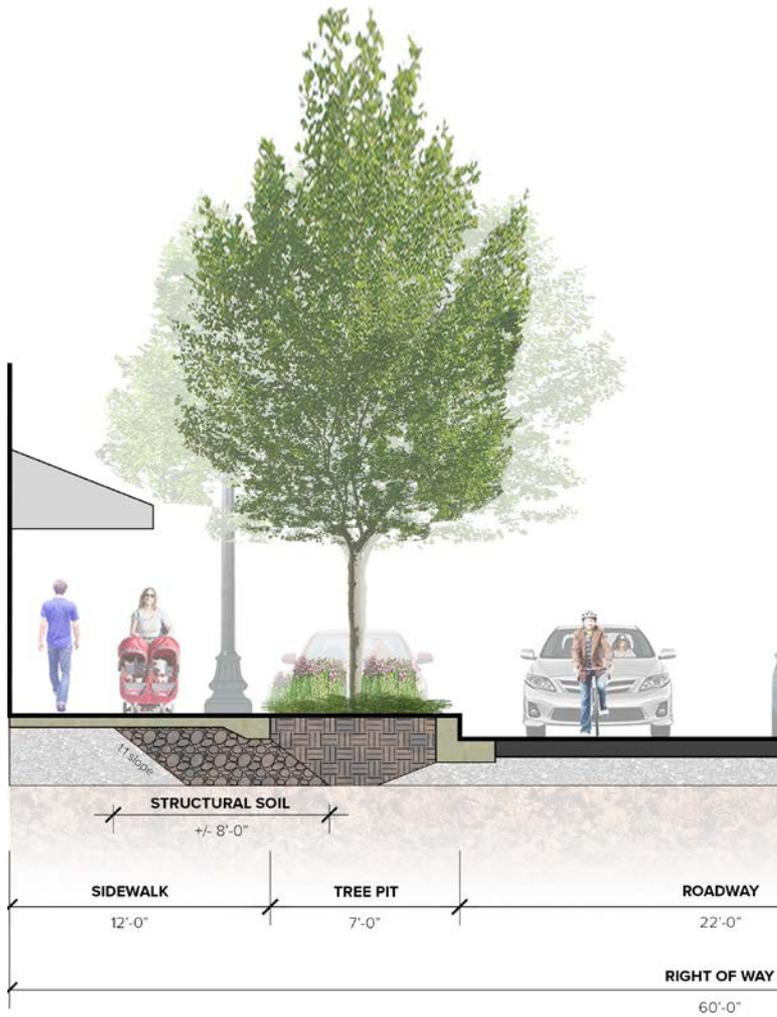

## PROJECT COMPONENTS

- Redefined street layout with a pedestrian emphasis to promote walkability
- Wide pedestrian-friendly sidewalks
- Flexible use zones or parking in off-seasons
- Innovative curbless design on the key block
- Pedestrian scale street lighting
- Modern street furniture
- Enhanced pavement treatments to delineate pedestrian areas
- Visibility-enhanced crosswalks & mid-block crossings

# Typical street section

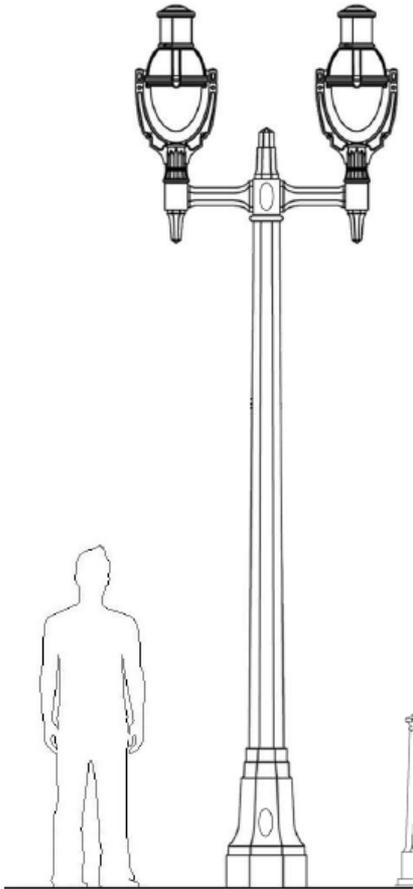

Section 1 - Through Tree Pit

Section 2 - Through Tree Grate

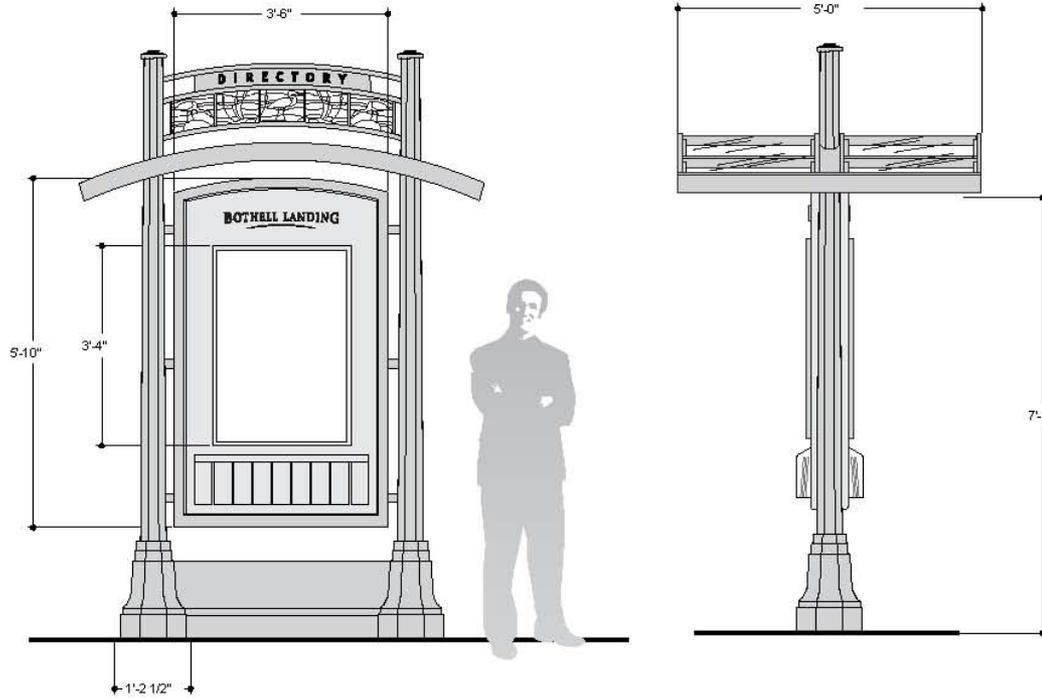

# Street Amenities & Furnishings

Post Rack

## Wayfinding Kiosk

- Kiosk will be located on north side of midblock crossing on the block between 101<sup>st</sup> Ave NE and 102<sup>nd</sup> Ave NE

## Tree Grate

- 4'-0" combo round/square tree grate
- 1'-6" concrete collar around the tree grate with embedded tree grate frame

# Proposed Crosswalk & Sidewalk Treatments

**Decorative Crosswalks 2'-0"**  
bands of pavers highlight the crosswalks and act as a visual cue to drivers to slow down

**Concrete Sidewalks 2'x2'**  
sawcut grid will be continuous feature throughout all sidewalk areas

# 2015 Flex Parking Enclosure Concept

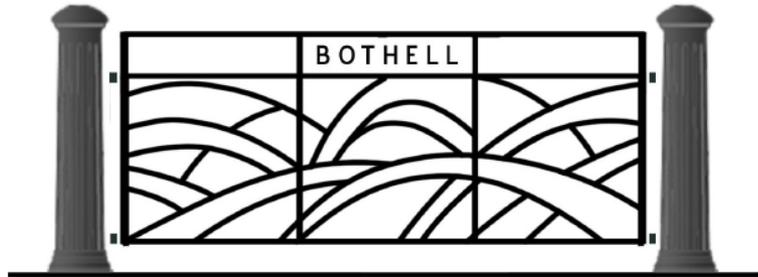

Elevation – Flex Seating at Parking Stalls

# 2015 Flex Parking Enclosure Concept

# 2009 Flex Parking Enclosure Concept

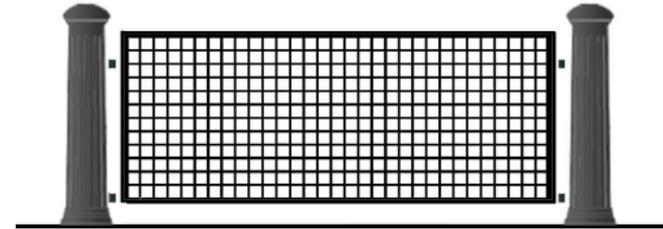

BOTHELL LANDING - GRASSES

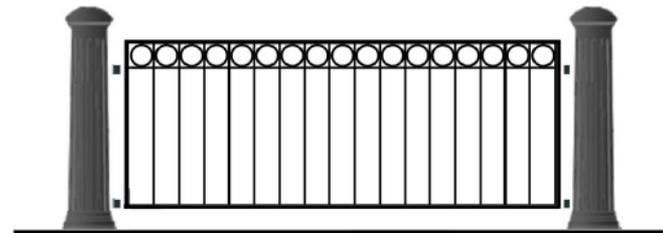

BOTHELL LANDING - HERONS

## ALTERNATES (SUBJECT TO APPROVAL BY ENGINEER, CITY OF BOTHELL)

4" X 4" WELDED WIRE MESH

PICKETS

STRETCHED CLOTH CANVAS WITH BUSINESS NAME OR "BOTHELL"

Bothell, Washington

# What's coming up next?

*future coordination meetings with  
business & property owners*

# Construction Phasing

# Construction Phasing & Detours - options

# Construction easements (property owners)

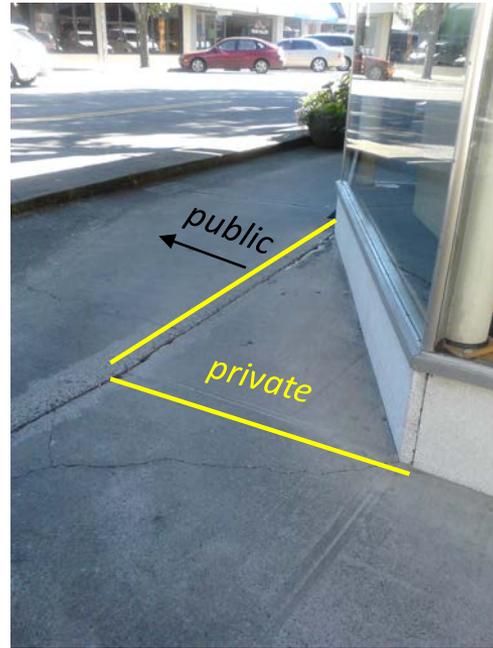

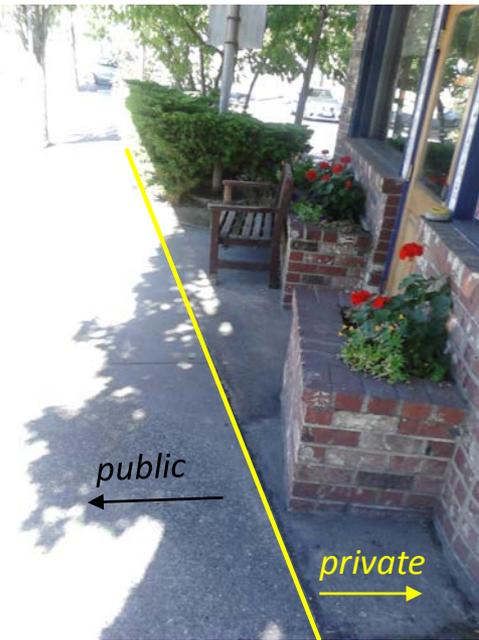

*depiction above – if no easement is obtained; improvements would end at the property line*

*depiction above – easement is obtained; improvements would extend beyond property line*

# Construction easements (contd.) - Examples of ROW extents

# Commemorative bricks

*MOU with business owners – volunteers to salvage bricks prior to construction*
