

North Sound RADAR Program 2019 Report

RADAR (Response Awareness, De-escalation And Referral) is a collaboration between the Police Departments in Shoreline, Lake Forest Park, Kenmore, Bothell and Kirkland. The Program improves outcomes for people with Behavioral Health conditions and reduces reliance on crisis systems. Mental Health Professional Navigators respond in the field with law enforcement to directly address peoples' behavioral health needs and make referrals to community-based care. By connecting people to care, Navigators free law enforcement officers to focus on their primary life and safety responsibilities.
