

PUBLIC MEETING:

NORTH CREEK TRAIL, SECTION 4

City of Bothell™

About the project

The North Creek Trail, Section 4 will connect to the planned Snohomish County North Creek Trail north of SR 524. Finishing this last missing segment will result in a continuous path that connects to the Regional trail systems in both King and Snohomish counties.

Thursday, Mar. 2
7 – 8 p.m.

City of Bothell Operations Center
21233 20th Ave SE
Bothell, WA 98021

This meeting's purpose:

City staff and consultants will talk with you about the project and answer your questions. This public meeting is your opportunity to see and comment on proposed trail alignment, cross sections and other details about how the trail will look. Your input is vital. Come help us create this non-motorized facility as an asset for everyone in the community.

What we'll talk about:

- Proposed trail alignment.
- Proposed cross sections adjacent to Muriel's Landing neighborhood.
- Project schedule.
