

Submit this completed form at City Hall, or use www.MyBuildingPermit.com to submit your application online.

MAJOR RIGHT-OF-WAY

48a

For Franchise Utility Companies

A Right-of-Way invasion permit is required for any work that involves:

- Work in public right-of-way
- Street excavations

Proposed start date _____

Proposed completion date _____

An intake appointment will be required to submit this application. To schedule, please contact Permit Services at (425) 806-6400, for your appointment.

Right-of-Way permits are subject to development review billing, the method by which the City plan review and inspection time is charged to the utility company. Refer to the Development Review Billing form D for billing rates and additional information.

Prior to Permit Issuance (these items not required at submittal)

- Certificate of Insurance for personal property and public liability (\$1,000,000) naming the City of Bothell as additional insured ***the certificate MUST state the project name and/or permit number and be submitted on a CG2012 form**
- Provide a completed Certificate of Liability Insurance (COLI) form
- Provide a completed Instructions for Liability Insurance Requirement (LIR) form

Plans and Application:

Each application for a Major Right-of-Way Invasion permit shall be accompanied by **four (4) plan sets, each set to include a site plan sheet(s)** drawn to an engineering scale in sufficient clarity to indicate the nature and extent of the work. The required number of plan sets will include **one (1) set** of 11in. x 17in. plans. If applying for multiple permits concurrently, submit the highest number of required plan sets. The submittal shall include:

<u>Applicant</u>	<u>Staff</u>
<input type="checkbox"/> Completed & signed Permit Application form	<input type="checkbox"/>
<input type="checkbox"/> General vicinity of proposed site.	<input type="checkbox"/>
<input type="checkbox"/> Development Review Billing Form D	<input type="checkbox"/>
